Product, People, and Planet

PRODUCT

Responsible sourcing and transparency

Our commitment to sustainable products is unwavering. We ensure transparency in our sourcing processes, using recycled and eco-friendly materials. By choosing recycled materials, we reduce waste and contribute to a circular economy, providing high-quality products that are both stylish and sustainable.

PEOPLE

Social Responsibility

Dedication to social responsibility is at the heart of everything we do. We proudly partner with initiatives such as the Seaqual Initiative, 1% for the Planet, and Fairtrade. These collaborations reflect our commitment to fair labor practices, ethical sourcing, and supporting communities worldwide. Together, we create a positive impact and foster a more equitable and sustainable future.

PLANET

Protecting Today for a Greener Tomorrow

Caring for our planet is a core value. We strive to minimize our environmental footprint through innovative practices and sustainable choices. From reducing plastic waste to promoting renewable resources, our efforts aim to protect the Earth for future generations and work towards a greener, more sustainable world.

Partnerships with purpose

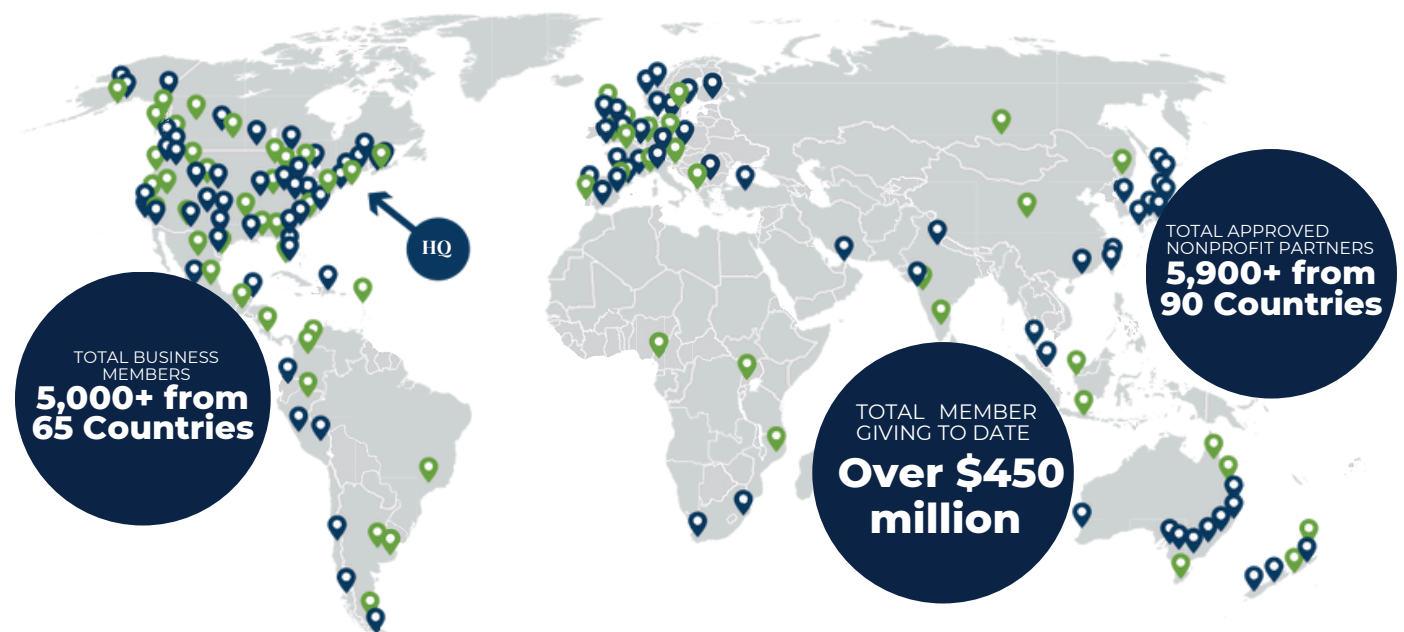

Our business and individual members engage directly with approved nonprofit partners, providing monetary donations, volunteer time, in-kind donations and other forms of approved promotional support. Thriving partnerships deliver longer-term support and greater impact for everyone involved.

For nonprofit partners: With thousands of nonprofit partners globally, 1% for the Planet supports a diverse range of unique environmental solutions. We give visibility to our approved nonprofit partners—helping them to secure necessary funding and drive activism.

For members: With our expertise, our business members can save time, implement a turnkey corporate giving program and maximize their environmental impact. Best of all, they're able to give to the issues they care about most and in ways that best meet their needs.

The power of our network.

We can do more together than we can alone. Our network of businesses, individuals and nonprofits drives environmental giving forward through collective action.

Lemon Grass Notebook

Our A5 notebook, featuring a Lemongrass cover, represents an innovative step towards eco-friendly stationery. Carefully crafted, this notebook serves as a unique canvas for your thoughts and ideas

ESA6119

LEMON GRASS COVER

You probably heard about lemon grass if you love Asian food or know about its therapeutic oil. What you may not be aware of is that once the oil is extracted from the grass, the residue left behind adds to the pollution if it is burned and thrown away. Through our innovative upcycling process, we transformed this into a beautiful lemon grass cover - a cover with a delicate aroma and unique texture.

THANK YOU FOR CONTRIBUTING TOWARDS
A CLIMATE-POSITIVE PAPER INDUSTRY.

Corn Husk Notebook

Elevate your thoughts on sustainable pages. Our A5 notebook has a cover crafted from Corn Husk (60% corn husk and 40% cotton rag), offers 196 recycled 80 gsm dotted pages. Its softcover and flysheet inspire creativity, all while making a positive impact.

ESA26158

CORN HUSK COVER

Corn is one of the most cultivated grains worldwide. In 2020, the world production was 1,124 billion tons, which leads to an enormous quantity of corn husk waste. But by blending it with repurposed cotton rags, we created a cover that is both rustic and elegant. Its charming texture has a timeless beauty, while preserving our planet's precious resources.

CREATIVE *tips* FOR A JOYFUL CHRISTMAS

DIY DECORATIONS

- **Nature-Inspired:** Use pinecones, dried orange slices, and cinnamon sticks for natural, biodegradable decorations.
- **Upcycled Craft:** Repurpose old fabrics, buttons, and jars to create unique, eco-friendly ornaments.

ECO-FRIENDLY WRAPPING

- **Furoshiki:** Wrap gifts in reusable fabric, inspired by the Japanese art of Furoshiki.
- **Recycled Paper:** Use old newspapers, maps, or paper bags, decorated with twine and natural elements.

SUSTAINABLE CHRISTMAS TREE

- **Live Tree Rental:** Rent a live, potted Christmas tree that can be replanted after the holidays.
- **Alternative Trees:** Create a tree using driftwood, books, or other reusable materials for a unique and sustainable display.

SUSTAINABLE ADVENT CALENDAR

- **DIY Calendar:** Create an advent calendar using small reusable bags or boxes, filled with eco-friendly treats or activities.
- **Experience Calendar:** Instead of gifts, include daily sustainable activities like planting a tree, baking together, or donating to a charity.
